

MEENAKSHI VERMA

Digital Transformation | Product Strategy & Leadership | Data-Driven Decisions

+61 411021915 minakshi.kiit@gmail.com https://www.linkedin.com/in/mkva/ Australian Permanent Resident

SUMMARY

Strategic and outcome-driven Product Leader with experience delivering digital products, consumer experiences, and process improvements in global environments. Proven track record at American Express driving end-to-end product delivery, managing stakeholders, and enabling data-driven decision making. Skilled in translating customer needs into actionable roadmaps, collaborating across technology, design, and business teams, and launching solutions that improve customer experience and operational efficiency. Known for excellent communication, empathy, and strong ownership mindset. Certified Scrum Master (CSM) and PSPO, with hands-on expertise in agile product delivery, program execution, and continuous improvement.

EXPERIENCE

Product Owner

American Express

07/2022 - Present Gurugram, Haryana

- Led IT projects including Credit Authorization Systems uplift. Enhanced risk management and reliability.
- Drove project planning, rollout strategy, and cross-market coordination for IVR product launches in the US, UK, and Mexico.
- Leveraging AI and Natural Language capabilities to automate journeys within the IVR platform, improving resolution speed and reducing dependency on live agents.
- Managed end-to-end product lifecycle; proactively identified risks, resolved delivery issues, and maintained a 96% feature on-time rate.
- Utilized Excel (scripting, automation), Python, and data-driven analysis to inform strategic decisions and monitor KPIs.
- Facilitated communication and expectation management between Engineering, UX/UI, Finance, and Compliance stakeholders.
- Developed detailed user stories, acceptance criteria, roadmaps, and wireframes to ensure clarity across IT and business teams.

Asst. Product Specialist.

Ramboll

05/2021 - 06/2022 Gurugram, India
